## DEDICATION

To a charming and gracious lady whose life has been devoted to the teaching of boys and girls; whose day starts early and ends late; who goes far beyond the call of duty in her profession.

To one whose sincerity, perseverance, and desire for perfection make a lasting impression on her students. Her tireless endeavor, interest, lofty ideals, good fellowship, and fair play have made our love and admiration for her grow.

It is with great pleasure that we dedicate this, our 1961 Echo, to Miss Ida Caroline Gordner.

SENIOR SCHOLASTIC  
AWARD WINNERS

This was the last of the "best"—our senior year! It doesn't seem possible that when next September comes we shall not be entering these familiar halls again.

As each event took place this year, it became our "last." The boys played hard in their last football, basketball, and baseball game. We remember our last bonfire and pep rally. This was our last Homecoming, when two of our classmates reigned as Homecoming King and Queen. This was our year; our scholars, our honors, and our superlatives. It was our last Superlative Dance, this time honoring our own classmates. This was our last Christmas and Easter together. This year the Junior-Senior was given in our honor. The last issue of the Yellow Jacket and the last edition of our yearbook, the Echo, were distributed. These are the memories that we shall carry with us.

This is our graduation and the end of a year of "lasts." As the final bell rings, we, the Class of '61, shall walk down the halls for the last time. We shall no longer be a part of this fine school.

This is the end of a wonderful four years, ones we shall never forget. Now, we shall each go our own way and hope that someday, somewhere, WE SHALL MEET AGAIN.

For the Juniors this year will hold many memories. This was the last year before we will become Seniors.

Some of our classmates took active leadership roles in the student association. A fortunate few of our classmates were chosen for membership in the National Honor Society, Quill and Scroll, and twelve of us were elected as Junior Marshals. One of our outstanding citizens was selected as the DAR Good Citizen at the end of this year.

The best Junior-Senior ever was presented this year after many hard weeks of work. To the Juniors, as well as the Seniors, this was a night to be remembered.

This year will always hold many memories for us. We have finally made it to the long awaited year . . . Our Senior year. Let each and every one of us strive to make our Senior year the best.

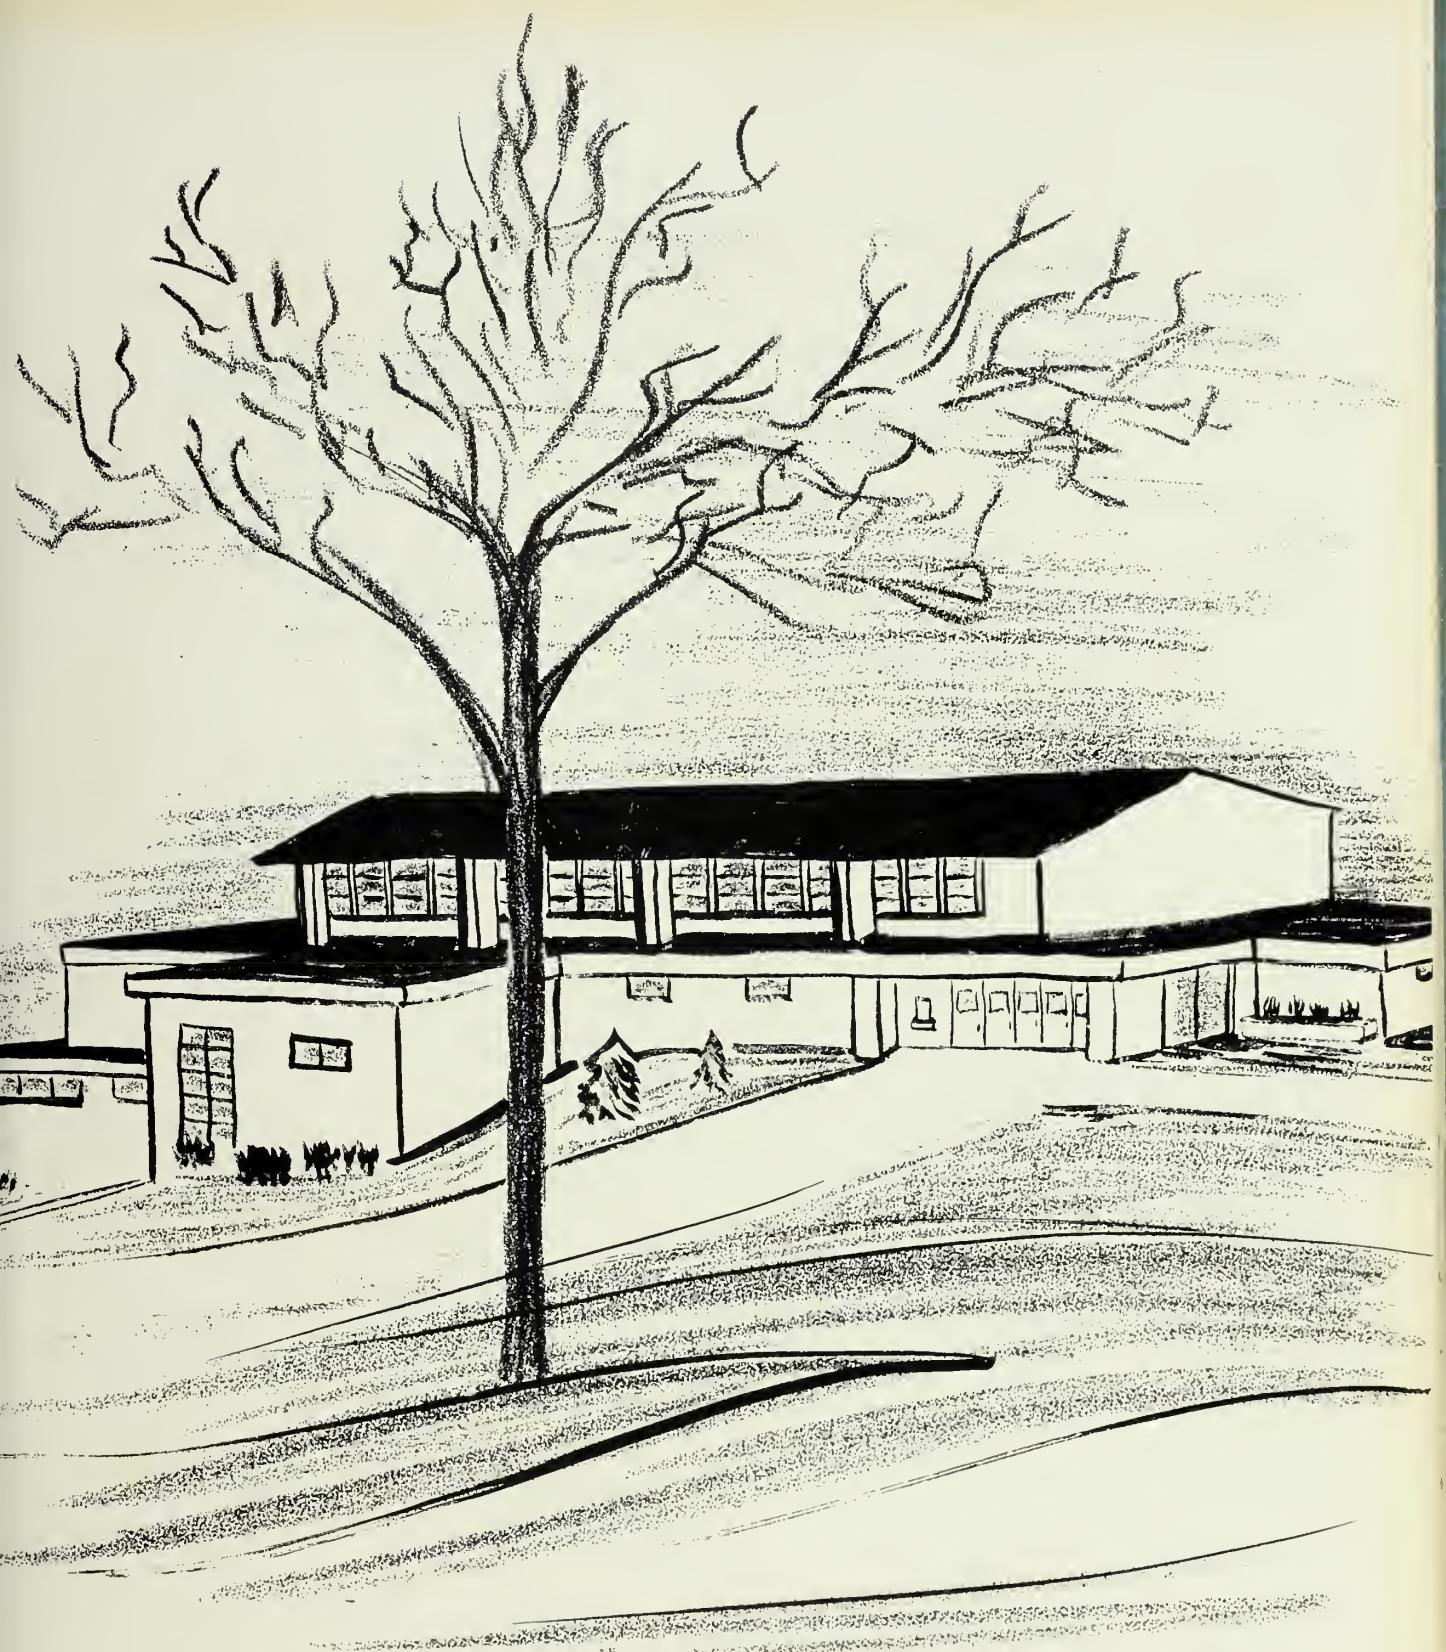

### **IN MEMORIAM**

Bobby Greene was a boy, but not an average boy, for he possessed all the qualities of a well-liked and well-respected person. Ask the boys he has played with and those he has played against on the football and basketball teams. They will tell you what kind of sportsmanship Bobby displayed and the types of leadership he exhibited during a game. Ask any member of the Hi-Y or the Demolay, the clubs to which he belonged. They will tell you of his willingness to work and his enthusiasm for the things in which he believed. Ask any of his friends. They will tell you what a true friend really is.

A person, such as Bobby Greene, could not leave a school without being deeply missed, and, truly, Bobby will be sorely missed at Boyden.

Copied from the Yellow Jacket—December, 1960

This year we really got into the "swing" of activities. Some of our classmates were members of Junior Civitan and the Key Club. Some ran for student association offices, and some even played varsity football and basketball.

Now that the newness of high school was over, we began to really settle down and become a part of the school. We conquered the world in world history class and we became "expert surgeons" from practice in

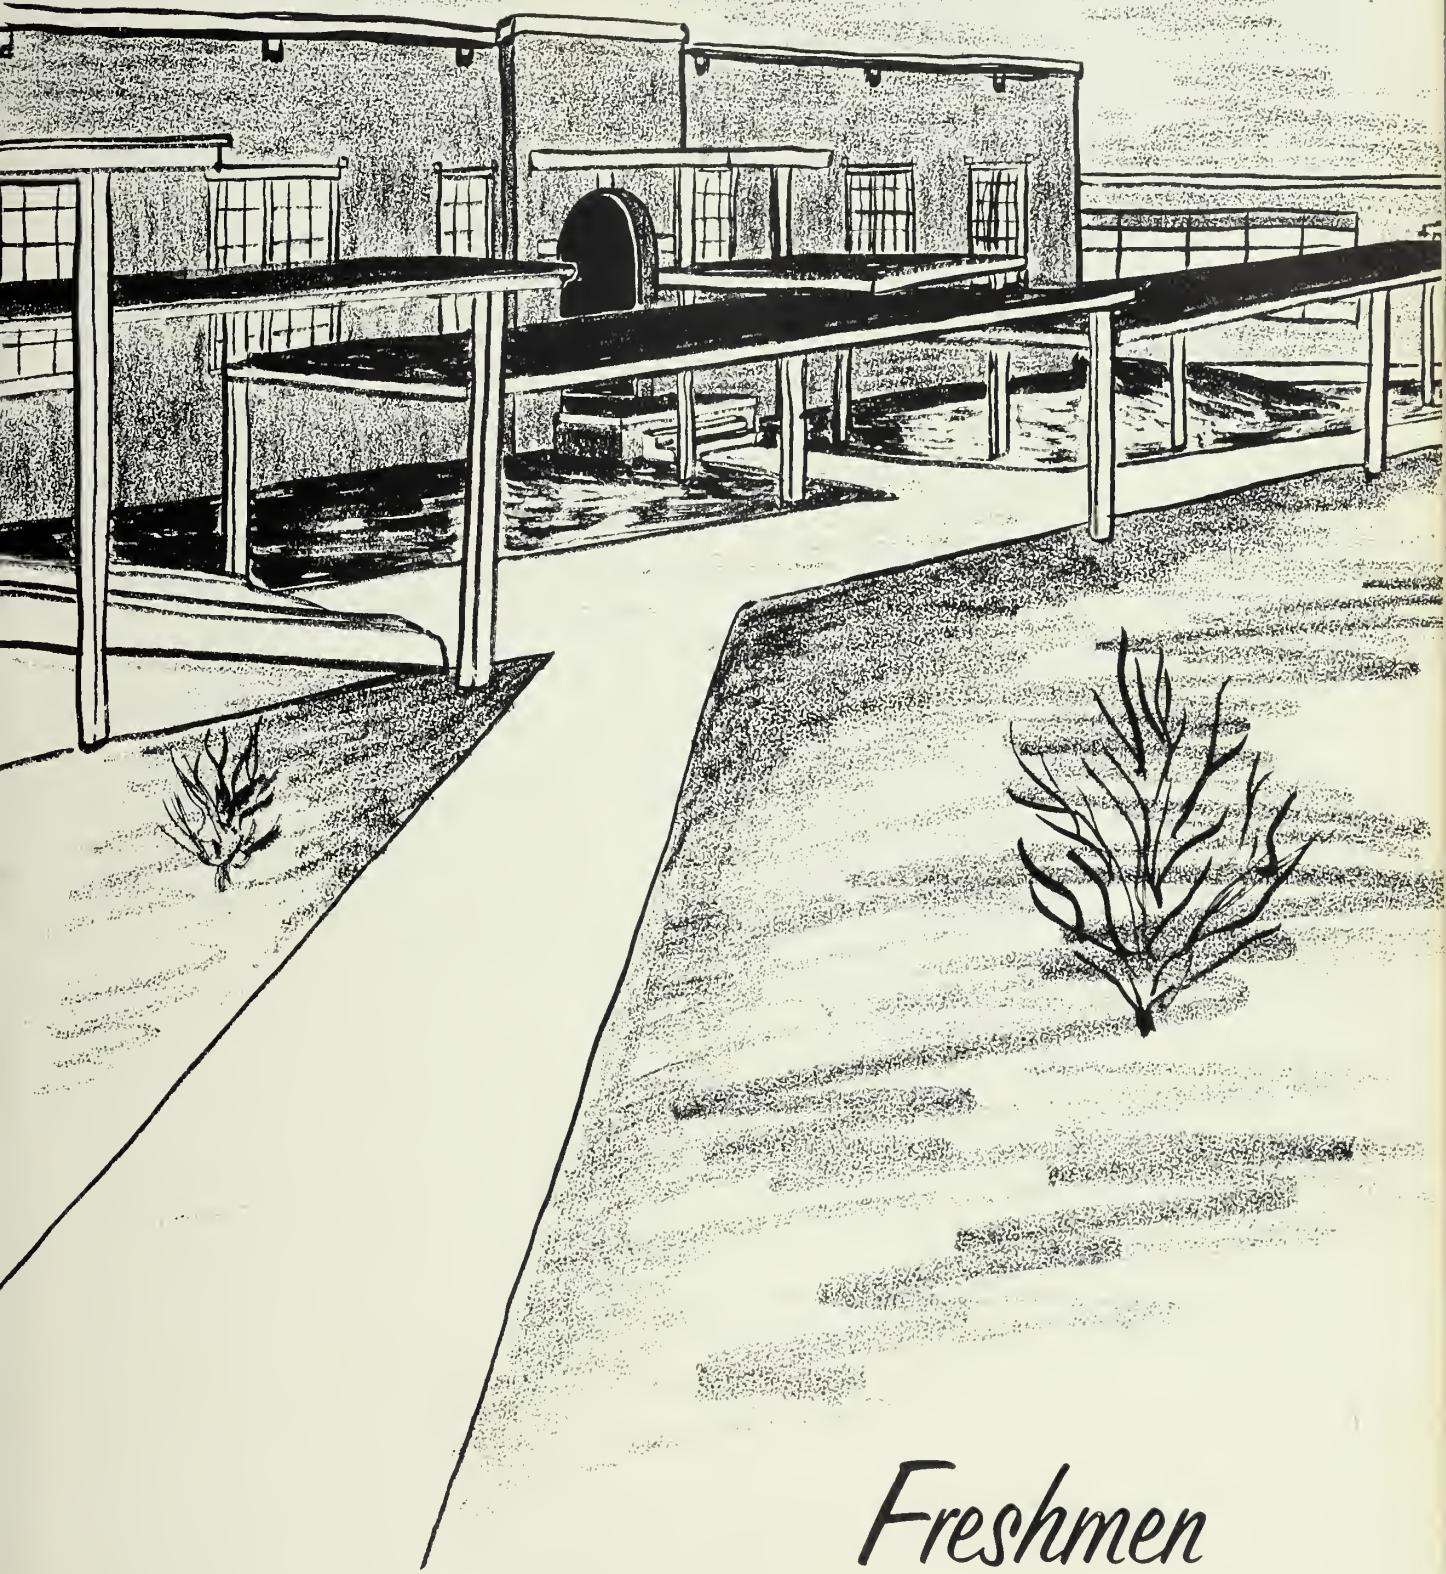

biology. Some of us have even learned "parler le francais."

This year we were no longer the freshmen who had to sit upstairs in assembly. We were promoted to the "downstairs." Also, several of our classmates saw their first Junior Senior Prom. They were elected by the class to be hatcheckers and waitresses.

Now our sophomore year is over and we're in the middle of the road. We'll have a good time at the beach this summer as we eagerly await next year, when we'll be juniors.

This was the "first" . . . The first of the "best". For the first time you were in High School, and you could call yourselves Boydenites. You attended your first homecoming and loyalty night as a real part of the student body. Some of you were chosen by your classmates to lead them through your first year, while still others took an active part in the student association.

Girls, remember taking out more stitches than you put in, in your Home Ec. masterpiece, and the things you so successfully

burnt in the lab?

Boys, did your mothers almost leave home when you presented them with your first monstrously, which to you represented many hours of hard pains-taking work in the fabulous shop.

Yes, this was the first. The first of many wonderful experiences and memories which are to be yours in the coming years. You are on your way now, 1/4 of the journey is completed, but it's just the beginning . . . the beginning of the "best".

The Echo Staff dedicates the Sports Section in memory of Coach Bill Ludwig.

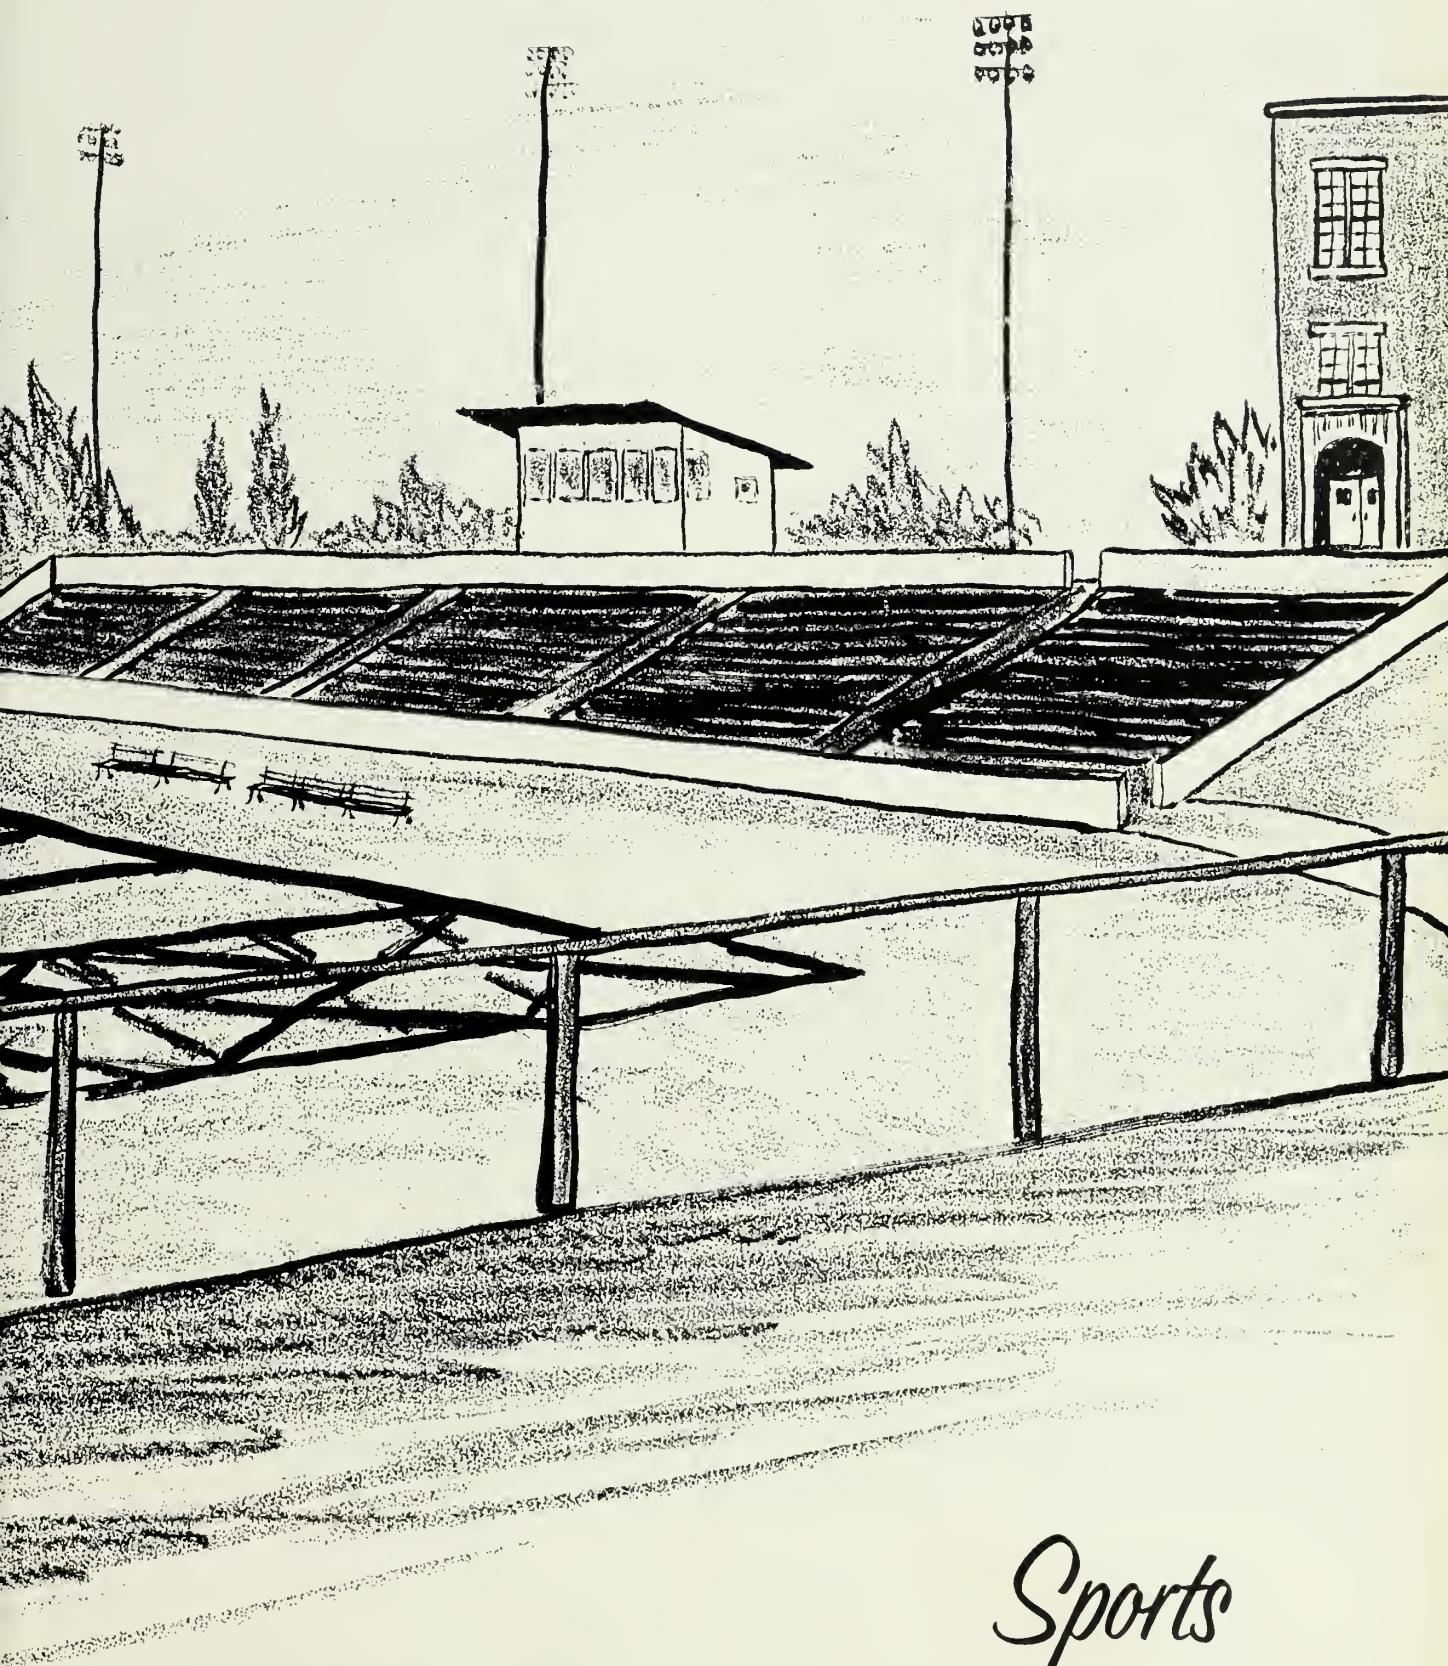

We shall remember his dignity in manner and speech, his quick smile, his keen sense of humor, his personal interest in all of his students, and his ability to inspire them to do their best.

We shall remember his concern for good sportsmanship and fair play, his stand for good citizenship on and off the athletic field, and his readiness to stand for what he believed right, whether or not others agreed with him.

We shall remember him as a tireless worker, striving for perfection, and as a coach who wanted very much to develop a winning team but never compromised his high ideals for the sake of a winning score. We shall remember him as a fine Christian gentleman. Such is the abiding influence of one who has lived his life well.

Excerpts from the Faculty Tribute by Miss Ida Gordner.

egg for boy "Honeycutt"

It has been a lot of  
fun in Homeroom. isn't it.

Lots of luck for the

Coming year. Steve Johnson

As this school year draws to a close, we have many wonderful times to look back on. The ECHO STAFF has tried to cover the high spots of the year in pictures. Years from now, when we bring out this book and glance through these pages, all of our experiences will come back to us. So much has been crowded into these nine months—happiness, disappointments. These feelings cannot be expressed in pictures, but they will be a part of us forever.

Now this year is over and the senior class is leaving. Through the years we shall always remember this 1960-61 school year.

Clegg,  
I've had a lot of fun hitting and  
beating on you. I hope I can do it  
again next year.

HA! HA! you clod!

Clegg,  
I have enjoyed being  
in your homeroom. I hope  
we can get in some classes  
together next year. Good luck  
to a good guy.
